SUBMISSION OF LIFE CERTIFICATES

A number of queries are being raised and an equal number of conflicting and confusing answers are being bandied about in WhatsApp groups regarding submission of Life Certificates. Following clarifications are given to settle the matter.

PURPOSES OF LIFE CERTIFICATE

It is a document to prove the existence of the claimant and for continuation of pension and other benefits. Life certificate is required for the following 3 purposes.

- (i) Pension under CMPS,1998
- (ii) Half Yearly Claims under CPRMSE
- (iii) Annuity under CIL Executive Defined Contribution Pension Scheme

1. PENSION UNDER CMPS,1998

Life Certificate is to be submitted in November each year. The date has been extended to 31st December 2020 due to COVID-19 situation. If LC is not submitted in time, Pension will stop from the month of February of the succeeding year. You can submit life certificate even after this deadline and once it is received, CMPFO will resume your pension with arrears.

METHOD OF SUBMISSION: Following options are available.

- a) Hard Copy of Life Certificate as per format issued by CMPFO, duly signed by the Official of the Bank where pension is received can be submitted to SBI, Dhanbad or CMPFO, Dhanbad. Alternatively it can be mailed.
- b) Digital Life Certificate (Jeevan Pramaan) can be generated. It is issued after Aadhar based biometric authentication. A registered biometric device is a must for this. It can be done either at Banks, Post Office or Jeevan Pramaan Centres. AIACE has recently entered into an MOU with India Post Payment Bank. As per this MOU, you can download the App and request to send a Postman to your residence to generate Jeevan Pramaan for a nominal charge of Rs.70. AIACE has also provided biometric devices to Bangalore, Kolkata, Patna, Asansol, Nagpur and Dhanbad branches. Members can approach Branch Secretaries for getting their JP.

JEEVAN PRAMAAN NEED NOT BE SENT TO ANYONE. It is stored in the database of Jeevan Pramaan authority and Pension Approving/Disbursing authorities enrolled with Jeevan Pramaan will download it. It can also be downloaded from Jeevan Pramaan website by the pensioner by giving his JP ID and entering OTP received on Aadhar linked mobile.

Care should be taken to choose CMPFO as sanctioning/dispensing authority while generating JP.

Please ignore posts being forwarded that Life Certificate can be generated from home. You cannot do it without a registered biometric device.

SUBMISSION OF LIFE CERTIFICATES

2. HALF YEARLY CLAIMS UNDER CPRMSE

Life certificate in the format given by CIL in CPRMSE is to be submitted in November/December every year. It is to be countersigned by the Bank Manager or a Doctor or a Gazetted Officer or an officer of the Company from where medical facility is being availed. AIACE has requested CIL many times to accept Jeevan Pramaan for the purpose of CPRMSE and it is hoped that the management will accept our demand soon.

3. ANNUITY UNDER CEDCPS

Life Certificate is to be submitted to the Annuity Service Provider (ASP) depending upon option exercised at the time of filing profile form. Details of the periodicity and format of LC are available on our website (aiace.co.in) under Members' Corner. Usually the ASP will inform the annuity holder regarding submission of LC.

All the formats of life Certificates are available on our website- aiace.co.in
