Sub:-- Approval of emergency Hospitalization in non-empanelled hospital(s) to be followed by Formal request for approval of treatment, under CPRMSE for our member Sri Pandurang G. Dongre, EIS No. 90241100

Dear Sir,

On Sunday, 1.4.2021, our member Sri Pandurang G. Dongre, Member ID – 1573, EIS No. 90241100, Medical card no SECL/1322 (Annexure-I), opted WCL for CPRMSE benefits having Mobile no. 9926194578, a resident of Flat No-207, Furtune Empaire, Belarodi Road Manish Nagar, Nagpur was detected Covid-19 positive.

Now we have been informed by his son Sri Gourav Dongre, vide copy of intimation letter to WCL, as enclosed in Annexure-I, that initially he was in home isolation. But his deteriorating health conditions compelled the family to look for hospitalization. The family searched for bed in all the CIL-empanelled hospitals in Nagpur, but failed. Since Maharashtra Government has made provisions for Covid treatment in all private hospitals, Sri Dongre was first hospitalized on 10th April-2021, in the following non-empaneled hospital:-

Medigrace Hospital - Infertility Specialist, Laparoscopy Surgeon
Address: 6th Floor, Shree Radhey Health Heights, Opp. Niti Gaurav Complex,
Ramdaspath, Nagpur, Maharashtra 440010
Phone: 080079 93330

However the above hospital could not provide for ventilator as required by the patient. So on the very first day on 10th April, 2021, Sri Dongre was compelled to be shifted to the following non-empanelled hospital where his treatment is going on at present:-

CIIMS Hospital
Address: 88, 2, Bajaj Nagar, Nagpur, Maharashtra 440010
Phone: 0712 668 7777

As he was not able to avail treatment in any CIL-empanelled hospital due to well known scarcity of beds with ventilators for Covid-19 patients, we have been requested from his end for forwarding this for kind information to WCL authorities and approval of the treatment in above hospitals.

We further request you to kindly advise CMS, WCL to be in touch with above CIIMS Hospital and work towards arrangement of needful funds/advance for the treatment.

At a later stage, other needful formalities in this regard will be observed by Sri Dongre. Meanwhile, his Golden card and other documents sent to us are being attached herewith in Annexure-I for your kind perusal and subsequent approval.

AIACE requests your kind consent so that needful approval for his treatment at the hospital(s) is obtained at the earliest..

This will be a boon to Sri Dongre and will be appreciated by all our members.

Thanking You,

(P.K.SINGH RATHOR)
Principal General Secretary

To,
WESTERN COALFIELDS LTD.
NAGPUR, MAHARASHTRA
Date :- 17 Apr 2021

Sub :- Approval for COVID-19 Reimbursement.

Respected ;

I am Gourav Dongre, son of Pandurang Dongre. I want to let you know that my father Mr. Pandurang Dongre has been found COVID-19 Positive on dated 01 April 2021. He was under medical treatment at home but on dated 10 April 2021 his condition has got degraded as was required urgent hospitalization as his oxygen level was badly affected.

As he did not get bed in the WCL empanelled hospitals, so, for 1st medical Aid he was hospitalized into Medigrace hospital which is not empanelled in WCL. Later on the same day when his condition was not getting stable doctor advised him to shift the patient in another hospital where facilities of ventilator is available.

For the same reason on the same day i.e. 10 Apr 2021 I had hospitalized my father to "CIIMS Hospital" Bajaj Nagar. Right now he is in COVID ward and his treatment is going on. As "CIIMS Hospital" is also not in the empanelled list of WCL it is my request to you that kindly provide us the reimbursement or cashless facility to my patient. Till now nearly 1.5 Lakhs we have given in the hospital.

Kindly do the needful.

Thanking you
Yours faithfully,
Gourav Dongre
