Sub: Request to Issue Office Order allowing treatment in all Hospitals for Covid-19 cases

Dear Sir,

We are thankful to Coal India Ltd for providing Medical facilities to all it working and retired employees and their eligible dependents. To augment the facilities in company hospitals, more than 300 private hospitals have also been empanelled by CIL. We are fortunate that there are also provisions to avail treatment at various hospitals which are either government-owned or empanelled with other PSUs.

However, recent spurt of cases arising out of Covid-19 pandemic has more or less cramped the health care system of our country. All these above hospitals are finding it difficult to cope with increasing number of Covid-19 cases which are creating daily records of increasing cases. A study of Graphs and Data table provided as Annexures to this letter, present a very gloomy and alarming situation in India's mainland territorial region.

Central and various state governments have also roped in almost all private hospitals, hotels, banquet halls etc to act as Covid care centre. You will appreciate Sir that, we are witness to an unprecedented situation and on a daily basis employees are applying for competent approval for availing Covid treatment in non-empanelled hospitals. Approval comes normally in 24 hours, but, this 24-hour delay is also proving fatal due to recent mutation of Covid virus which is directly attacking lungs causing exposure to imminent death.

In this month itself, many employees and executives and their family members have lost their lives and many are still struggling for life. Even CIL has issued office order stipulating measures to be taken at work places. (as shown in Annexures)

In this situation we, at AIACE, are compelled to request you to order for issue of a blanket one-time approval to allow, as a special case, treatment of Covid cases in any Hospital including home isolation. This will go a long way in removing hurdles faced by CIL's medical beneficiaries.

Further it is requested that a round-the-clock patient help line numbers at the levels of CIL and its Subsidiaries may kindly be envisaged who will assist and advise the best course of action needed for

availing hassle-free treatment at their choice of hospital/home quarantine. This will help the patients recover faster than expected and can be arranged by in-house resources within CIL.

In anticipation of a favourable decision from your end,  
With Regards,

P. K. Singh Rathor  
Principal General Secretary, AIACE

### OFFICE ORDER / कार्यालय आदेश

**Sub: Preventive measures to be taken due to surge in case of infection and to contain the pandemic of COVID-19**

Considering huge surge in cases of infection due to COVID-19 across Nation, following steps are to taken to contain the spread of pandemic of COVID-19 in CIL & its subsidiaries :-

1. Existing practice of attendance through physical attendance register to continue till further instructions.
2. Central/State Government guidelines issued from time to time to be adopted.
3. Regular sanitization of workplace, availability of sanitizers, enforcement of masks etc must be ensured.
4. Thermal Screening of employees at entry of official premises to be continued. Entry of visitors to official premises be restricted.
5. OPD in Hospitals of the subsidiary companies be restricted to facilitate treatment of COVID patients.
6. Sufficient arrangement of medical support such as beds, ventilators, Oxygen Cylinders, medicines, etc.in our Hospitals/Dispensaries to be made.
7. Identification of other hospitals/dispensaries, community centers, etc. for setting up isolation centers to be done in advance. Additional capacity to be built up to cater to increasing numbers.
8. Close liaison to be maintained with empaneled hospitals to ensure timely medical care to all our employees & their dependents.
9. Subsidiaries are advised to take all steps to support medical infrastructure of their respective State Governments, wherever required.
10. All eligible employees including their dependents be advised to get themselves vaccinated as per Govt. guidelines issued from time to time.
11. Spreading Public health messages through awareness programs, social media, banners, posters, etc in colonies and working places.
12. Engagement of doctors, paramedical staffs etc. on short term contract basis by subsidiaries of CIL, if required, till their recruitment process is completed.
13. Conducting meetings through Video Conferencing/ virtual mode only, to the extent possible
14. Maximum use of IT/e-office be done and physical files be discouraged to the extent possible
