Sub: Pending reimbursement of CPRMSE Claims of Sri R. N. Singh, EIS no-90068107, Medical card no. CPRMSE/03/12/632

Dear Sir,

Our member, Sri R. N. Singh, (AIACE Member ID-1065) EIS no-90068107, Medical card no. CPRMSE/03/12/632, had submitted claims for reimbursement of expenses in a non-empanelled hospital at Bengaluru after duly observing all procedural formalities.

Sri Singh had submitted claims incurred for Indoor treatment only, although there were quite significant expenses for pre-admission and post-discharge treatment. He has clearly mentioned in his application that reimbursement may be made as per company's/CGHS rules.

It is regretted that, till date, the CMS office hasn't put the file in Medical Board even after lapse of more than 6 months. The persons manning the Medical department are repeatedly excusing themselves by saying that the board is not in session yet. It is astonishing that Medical Board hasn't had a single sitting in last 5 months or so.

Details of his claims submitted are as below:

Ref no: GM(EE)
B2-427/EE date 17/12/20
& CMS ref no:
575 dated 21/12/2020

Briefly narrating the sequence of events,

- (i) Mr Singh had been to his son's residence at Bengaluru in December'19, on a trip other than medical purposes.
- (ii) In Bengaluru, his wife suddenly developed medical complications for which she needed to be operated for her intestines problem. She was admitted in Sakra World Hospital, NH44, Bengaluru, because it was near to his son's residence & hence convenient for taking care of the patient.
- (iii) Unfortunately, this hospital is not empanelled with CIL, for which he had sent email information to CMS (BCCL) on 11th Feb '20 email dated 11th Feb '20 (Vide copy enclosed in Annexure-I).
- (iv) Subsequently, she was operated on 20th January '20 & was an indoor patient for about 2 weeks.
- (v) After returning to Dhanbad in December '20, Sri Singh had submitted claims for reimbursement of expenses occurred for Indoor treatment only, although there were quite significant expenses for pre-admission and post-discharge treatment. He has clearly mentioned in his application that reimbursement may be made as per company's/CGHS rules.

Under the circumstances, your kind intervention and direction are solicited so that lacuna in the system is removed and Sri Singh is able to quickly receive his legitimate dues.

Representation made to AIACE by Sri Singh is enclosed as Annexure-III.

Hoping an early settlement of this case and overhauling the entire system,

With regards,

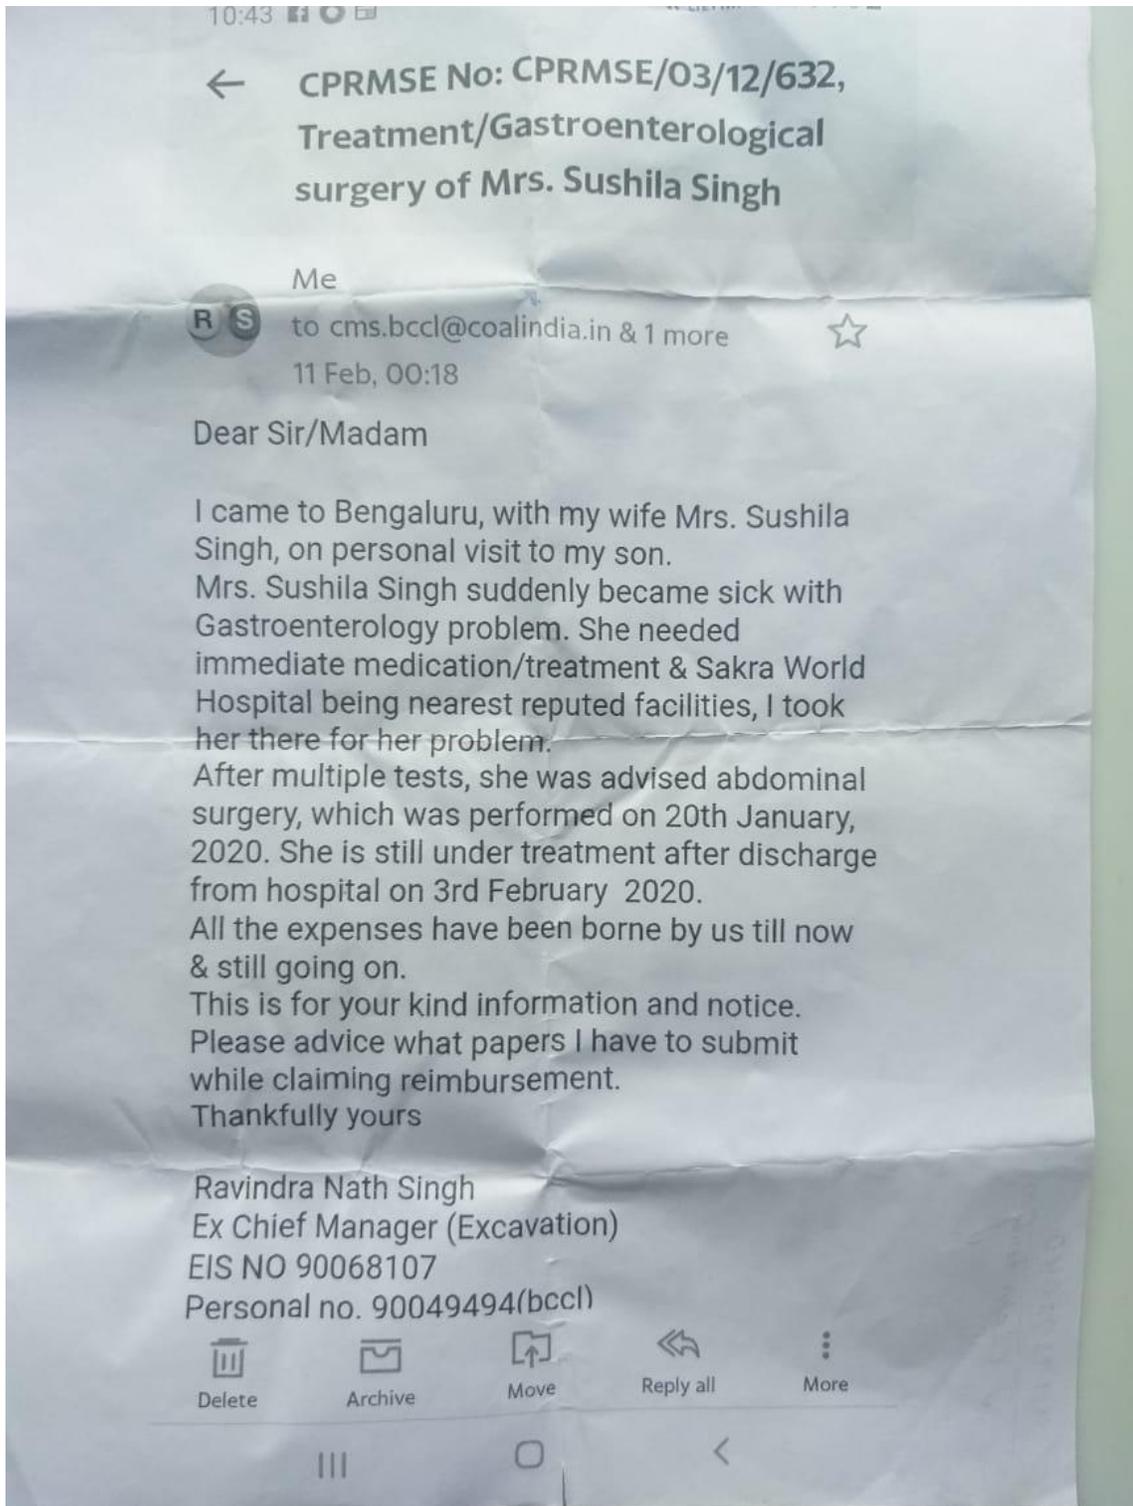

P.K.SINGH RATHOR
Principal General Secretary

SUB: Re-imbursement of expenditure for indoor treatment of spouse (Mrs. SUSHILA SINGH)

I have been in Bangalore with my wife Mrs. Sushila Singh where she faced acute abdominal problem of acute bowel disorder and we have to take her to SAKRA WORLD HOSPITAL, Bangalore, which was very near to my residence.

There after all the test, she was advised for a laproscopic operation of a ileocecal resection to further diagnose the problem.

She was admitted for operation on 19th Jan. 2020 and discharged on 3rd Feb. 2020.

The total expenses occurred as indoor patient on Mrs. Sushila Singh in Rs. 357308.93 only (Rs. Three lakh fifty seven thousand three hundred eight and paise ninety three only)

I have to state further that due to urgency and the SAKRA WORLD HOSPITAL, BANGLORE is very near in close proximity of my son's residence, I got my wife treated at the hospital which is not in empanelled list of CCL.

Considering I may be reimbursed

I had sent a e-mail for information to
1. e.cms.bccl@coastindia.in & 2. cmschd.bccl@coastindia.in on 11-02-2020
for intervention

Re-imbursement of the expenses may please be done as per CGHS/company's rule.

Yours Highly obliged.

Intimation of the case to AIACE by Sri R. N. Singh

Dear Sir/s,

During my visit to Bengaluru in December'19, my wife needed to be operated for her intestines problem. Operation was performed in Sakra World Hospital, NH44, Bengaluru because it was near to my Son's residence & hence convenient for taking care of the patient. She was operated upon 20th January '20 & was inpatient for about 2 weeks. Incidentally this facility though renowned but not in CIL empaneled list. I had sent email information to CMS(BCCL) on 11th Feb '20.

After returning to Dhanbad in December '20, I applied for reimbursement for expenses occurred during inpatient period only, though there was quite significant expenses for pre-admission after discharge treatment for the same problem.

I have clearly mentioned in my application that reimbursement may be made as per company's/CGHS rules. Details of my application is as below:

Ref no: GM(EE)
B2-427/EE date 17/12/20
& CMS ref no:
575 dated 21/12/2020

Putting the matter in this forum was necessitated as the CMS office hasn't put the file in Medical Board till date (more than 6 months) repeatedly excusing themselves by saying that the board is not in session yet. It is astonishing that Medical Board hasn't had a single sitting in last 5 months or so.

Few days ago, I have seen an advisory message of our convener, that members shouldn't put up false bills for reimbursement, well there may be trivial cases like this, but I can assure that during my 32 years of service, I have not availed a single paisa in medical reimbursements.

I earnestly hope positive action by our AIACE team with special request to our convener for his intervention.

Thanks,
